Upon payment in full or approved purchase order:

- One-Year Subscription, annually renewable (unless another term is specified on sale)
- Includes assistance with initial installation and setup as well as testing of submissions, when applicable
- Includes limited assistance, if possible, with generating the source data if required
- Includes unlimited technical support through subscription period during EMS business hours (9-5 E, M-F)
- Includes training via webinar and usage assistance through subscription period
- Includes product updates, fixes, and new feature releases through the subscription period
- Permitted installation on servers/workstations as per license block purchased within the purchasing location

This End-User License Agreement ("EULA") is a legal agreement between you (either an individual or organization) and EMS Healthcare Informatics for the EDI Product Suite, which includes one or more of the above identified computer software products and associated printed and online documentation ("SOFTWARE PRODUCT"). By installing, downloading, copying, accessing, or otherwise using any portion of the SOFTWARE PRODUCT, you agree to be bound by the terms of this EULA. You further agree that the EULA is the complete and exclusive statement of agreement between EMS Healthcare Informatics and you and that this EULA supersedes any oral or written proposal, agreement or other communication relating to the subject matter of this EULA. You assume full responsibility for the use of the SOFTWARE PRODUCT and agree to use the software legally and responsibly.

1. SOFTWARE PRODUCT LICENSE

Copyright laws and international copyright treaties, as well as other intellectual property laws and treaties protect the SOFTWARE PRODUCT. The SOFTWARE PRODUCT is licensed on a subscription basis, not sold, and is wholly owned by EMS Healthcare Informatics.

2. GRANT OF LICENSE

EMS Healthcare Informatics reserves all rights not expressly granted below:

3. USAGE

You may install a copy of the SOFTWARE PRODUCT on as many single computers or workstations within the purchasing organization ("COMPUTER", "COMPUTERS") as your license level dictates (determined at purchase point). Each COMPUTER which

will run the software will require a separate license file supplied by EMS Healthcare Informatics. The license file(s) supplied will allow usage on the approved number of COMPUTERS throughout the subscription period.

4. BACKUP COPY.

You may make as many copies of the SOFTWARE PRODUCT as you desire for backup, archival purposes, or re-installation purposes. Each new installation (on a new COMPUTER) will require a new license file and at no time shall the software be installed on more than the allowed number of COMPUTERS per the provisions of section 3.

5. SPECIFIC LIMITATIONS AND EXCLUSIONS REVERSE ENGINEERING

You may not reverse engineer, debug, decompile, or disassemble the SOFTWARE PRODUCT, except and only to the extent that applicable law expressly permits such activity.

6. DERIVATIVE WORKS

You may not create derivative works based upon the SOFTWARE PRODUCT.

7. RENTAL

You may not rent, lease, or lend the SOFTWARE PRODUCT.

8. TRADEMARKS

This EULA does not grant you any right to use any trademarks or service marks of EMS Healthcare Informatics without the express written consent of EMS Healthcare Informatics.

9. EXPORT

You acknowledge that the laws and regulations of the United States restrict the export and re-export of the SOFTWARE PRODUCT to restricted countries and agree not to export or re-export the SOFTWARE PRODUCT to restricted countries without the appropriate approval of the United States government.

10. LICENSE TRANSFER

The initial licensee of the SOFTWARE PRODUCT may not transfer this product to another party without the prior expressed written consent of EMS Healthcare Informatics.

11. TERMINATION

Without prejudice to any other rights, EMS Healthcare Informatics may terminate this EULA if you fail to comply with the terms and conditions of this EULA. In such event, you must destroy all copies of the SOFTWARE PRODUCT and all of its component parts.

12. EMS HEALTHCARE INFORMATICS' COPYRIGHTS

EMS Healthcare Informatics owns all title and copyrights in and to the SOFTWARE PRODUCT, the accompanying documentation and any copies of the SOFTWARE PRODUCT.

13. LIMITED WARRANTY

EMS Healthcare Informatics warrants that the SOFTWARE PRODUCT will perform substantially in accordance with the accompanying written materials throughout the subscription period. EMS Healthcare Informatics will make a commercially reasonable effort within 90 days to solve any problem issues.

14. LIMITATION OF REMEDIES

EMS Healthcare Informatics' entire liability and your exclusive remedy shall be, at EMS Healthcare Informatics' option, either (a) return of the price paid not including shipping and handling within 90 days or (b) repair or replacement of the SOFTWARE PRODUCT within 90 days. This Limited Warranty is void if failure of the SOFTWARE PRODUCT has resulted from accident, abuse, or misapplication. Any replacement SOFTWARE PRODUCT will be warranted for the remainder of the original warranty period.

15. LIMITATION OF LIABILITY

To the maximum extent permitted by applicable law, in no event shall EMS Healthcare Informatics or its suppliers be liable for any special, incidental, indirect, or consequential damages whatsoever (including, without limitation, damages for loss of business profits, business interruption, loss of savings, loss of business information, or any other loss) arising out of the use of or inability to use the SOFTWARE PRODUCT, even if EMS Healthcare Informatics has been advised of the possibility of such damages. In any case, EMS Healthcare Informatics' entire liability under any provision of this EULA shall be limited to the amount actually paid by you for the SOFTWARE PRODUCT.
